The 21st International Conference will be held in Lecce, Italy from May 23-27, 2024. The conference will bring together researchers and practitioners from around the world to discuss the latest advances in the field. The conference proceedings will be published in a special issue of the journal, "International Journal of Engineering and Technology."

Conference Topics

The conference will cover a wide range of topics, including:

* Artificial intelligence * Big data * Cloud computing * Cybersecurity * Data mining * Machine learning * Robotics * Software engineering * Systems engineering

Call for Papers

Researchers are invited to submit papers for presentation at the conference. Papers should be original and unpublished, and should not exceed 8 pages in length. The deadline for paper submission is March 15, 2024.

Conference Venue

The conference will be held at the University of Salento in Lecce, Italy. The university is located in the heart of the city, and is easily accessible by public transportation.

Accommodation

A block of rooms has been reserved at the Hotel Patria Palace in Lecce. The hotel is located within walking distance of the conference venue. To book a room, please contact the hotel directly and mention the conference code.

Registration

Registration for the conference is now open. The registration fee includes access to all conference sessions, materials, and social events. The deadline for registration is May 1, 2024.

Contact Information

For more information about the conference, please contact the conference secretariat at info@icet2024.org.
