We are a no-kill sanctuary, which means that we never euthanize a dog due to age or medical condition. We believe that every dog deserves a chance to live a long and happy life, and we are committed to providing them with the care and support they need to do so.

Our sanctuary is located on a beautiful 10-acre property in rural North Carolina. We have a state-of-the-art veterinary clinic, a large indoor playroom, and plenty of outdoor space for our dogs to run and play.

We are staffed by a team of experienced and compassionate professionals who are dedicated to providing our dogs with the best possible care. Our staff includes veterinarians, veterinary technicians, animal caretakers, and administrative staff.

We rely on the generosity of our donors and volunteers to continue our work. We are always grateful for any support you can provide, whether it's a monetary donation, a donation of supplies, or your time volunteering.

## **Our Dogs**

The dogs at Little Old Dog Sanctuary come from a variety of backgrounds. Some have been abandoned by their owners, some have been rescued from shelters, and some have been surrendered by their families due to financial or health reasons.
