In addition to providing step-by-step instructions, the Admissions Mentoring Applying to College Guide also offers expert advice from admissions counselors, college professors, and current students. This insider knowledge will give you a leg up on the competition and help you put your best foot forward in the college application process.

Whether you're just starting to think about college or you're ready to submit your applications, the Admissions Mentoring Applying to College Guide is the perfect resource for you. With its comprehensive coverage of the college application process and its expert advice, this guide will help you get into the college of your dreams.

## **Here's a closer look at what you'll find inside the Admissions Mentoring Applying to College Guide:**

### **Chapter 1: Choosing the Right Colleges for You**

This chapter will help you identify your academic interests, career goals, and personal values. You'll also learn how to research different colleges and find the ones that are the best fit for you.

### **Chapter 2: Writing a Strong Application Essay**

Your application essay is one of the most important parts of your application. This chapter will teach you how to write an essay that will capture the attention of admissions officers and make you stand out from the competition.

### **Chapter 3: Preparing for Standardized Tests**

Standardized tests are a major part of the college application process. This chapter will provide you with tips and strategies for preparing for the SAT, ACT, and other standardized tests.

### **Chapter 4: Getting Involved in Extracurricular Activities**

Extracurricular activities can help you develop your leadership skills, teamwork skills, and other important qualities that colleges are looking for. This chapter will provide you with ideas for extracurricular activities that you can get involved in.

### **Chapter 5: Applying for Financial Aid**

College can be expensive, but there are many ways to get financial aid to help you pay for school. This chapter will provide you with information on the different types of financial aid available and how to apply for it.

### **Chapter 6: Making the Most of Your College Visit**

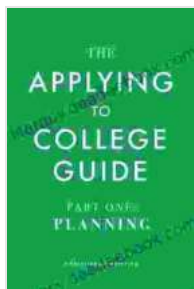

Visiting colleges is a great way to learn more about the campus, the academic programs, and the student life. This chapter will provide you with tips for planning your college visits and making the most of your time on campus.

### **Chapter 7: Deciding on the Right College for You**

After you've visited colleges and received your acceptance letters, it's time to decide on the right college for you. This chapter will help you weigh the pros and cons of each college and make the best decision for your future.

**The Admissions Mentoring Applying to College Guide is the ultimate resource for students who are preparing for college. With its expert advice and comprehensive coverage of the college application process, this guide will help you get into the college of your dreams.**
