Traveller Companion is a comprehensive guide to the Traveller roleplaying game. It provides everything you need to know to create characters, design ships, and play the game.

Character Creation

Character creation in Traveller is a detailed and involved process. There are a number of different ways to create a character, but the most common method is to use the lifepath system.

The lifepath system generates a character's background, skills, and attributes. It is a great way to create a unique and interesting character.

Ship Design

Ships are an important part of Traveller. They are the characters' homes, their transportation, and their weapons.

Traveller Companion provides a detailed guide to ship design. It includes everything you need to know to create a ship that is both functional and stylish.

Combat

Combat in Traveller is fast and deadly. There are a number of different weapons and combat systems available, so players can choose the style of combat that they prefer.

Traveller Companion provides a detailed guide to combat. It includes everything you need to know to fight effectively in the Traveller universe.

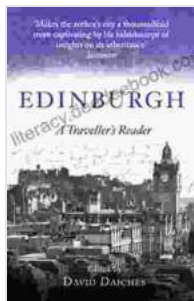

Other Features

In addition to the above, Traveller Companion also includes a number of other features, such as:

- A glossary of Traveller terms
- A list of Traveller resources
- A timeline of the Traveller universe

Traveller Companion is an essential guide for any Traveller roleplayer. It provides everything you need to know to create characters, design ships, and play the game.

Whether you are a new player or a veteran gamer, Traveller Companion will help you to get the most out of the Traveller roleplaying game.
